MEMORANDUM FOR: See Distribution

FROM: National Intelligence Officer for Counternarcotics  
Director, Requirements and Evaluation Office/ICS

SUBJECT: Invitation to Intelligence Collector/Producer Seminar on  
Counternarcotics [REDACTED]

25X1

1. You are invited to attend an intelligence collector/producer seminar on counternarcotics to be held on Wednesday, 27 July at [REDACTED]

25X1

2. A preliminary intelligence consumer seminar on counternarcotics will be held on 21 July--in lieu of the NIO's normal monthly warning meeting--to gain a better understanding of the intelligence needs of the policymaking and law enforcement communities. We anticipate that the discussions with our consumers will reveal opportunities for us to improve US intelligence support. The 27 July seminar, therefore, will be geared to further refine those opportunities and to look for concrete ways to bring them to fruition.

25X1

3. To focus our discussion on the 27th, we have attached a proposed agenda. First, we will summarize the results of the 21 July seminar with our consumers, and then review current and projected analysis and collection capabilities to satisfy requirements for narcotics intelligence. By close of business on 27 July, we hope to identify a number of steps to take to improve our support. [REDACTED]
